Clean Money and Fair Elections

Do you think that public officials should be accountable to voters instead of to big money contributors?

So do we. The solution is Clean Money, Clean Elections reform that finances candidates who reject all private money.

Stop Diebold in California

Secretary of State Bruce McPherson has certified Diebold's voting system for use in California. This is despite its not meeting the requirements of the California Elections Code.

Learn what actions you can take to stop Diebold in California.
